

“As a keynote speaker, Stacey Wedding brings this delicious mixture of warmth, wisdom, and wit to the stage. As an event organizer, you often feel like you have to choose between great content or great storytelling - but Stacey fuses both. When you invest in Stacey as a speaker for your company, association, or conference, you not only get a great speaker who will ensure each audience member is engaged and clear on how to leave a more expansive legacy through their work and charitable giving, but you also are hiring somebody who is a delight to work with which is the icing on an already tasty cake!”

ABOUT STACEY WEDDING

From early news features and sharing stages with legends like Sammy Davis, Jr. to her current role as a dynamic keynote speaker, Stacey is best known for connecting with audiences and making a lasting impact. Diagnosed with Type 1 diabetes at age 2, Stacey's resilience turned personal challenges into a force for positive change. As a former spokesperson for JDRF, Stacey transformed adversity into advocacy, becoming a beacon of hope for those affected by chronic illness. In later years, she expanded her speaking to include topics tied to legacy and significance. Described as energizing and refreshingly real, she delivers keynotes that go beyond talks, offering immersive experiences that leave audiences inspired and equipped with actionable insights, ensuring attendees leave with a newfound sense of purpose.

Beyond speaking, as founder of The Stacey Wedding Group, Stacey is a catalyst for change in philanthropy. With 25 years in the field, she's known as the "fairy godmother of nonprofits," dedicated to moving leaders and organizations from surviving to thriving. Certified in The 6 Types of Working Genius and a BoardSource Certified Governance Consultant, Stacey's expertise extends to executive coaching, strategic advising, and organizational development. Serving on the boards of UNLV Honors College, the Kasner Family Foundation, and Wagging Tails Rescue, Stacey believes in walking the talk. SIGNATURE KEYNOTES

What Your Legacy REALLY Looks Like: It's More Than Money

Whether you're an emerging or established leader, in a period of transition, or looking to find greater purpose, Stacey understands the desire to make a meaningful contribution and leave a lasting legacy. With over 25 years of experience working with funders and nonprofits, Stacey guides individuals on a transformative journey to find greater life meaning and wellbeing through the type of philanthropy that best suits them.

By the end of this presentation, audience members will explore how to:

- Adopt a “dating approach” by asking the right questions and conducting relevant research
- Engage in meaningful experimentation
- Avoid the trap of becoming a charitable ATM

Making a Difference: No Leadership Title Required

Regardless of your role and place on an org chart, this keynote illuminates the diverse forms of impactful leadership, proving that big titles aren't prerequisites. Drawing inspiration from the metamorphosis of a butterfly, Stacey takes attendees through each transformative step of leadership. Just as a caterpillar evolves into a butterfly, informal leaders and those without grand titles can have a profound impact within organizations.

Audience members will leave with:

- A definition of their “why” and strategies to keep this top of mind
- Practical tools to find greater joy in work and avoid burnout
- An understanding of the growth process and its inherent messiness

STACEY'S KEYNOTES CAN INCLUDE:

- Audience Q&A
- Half-day interactive workshops
- Team building
- Ongoing executive coaching
